VALUE OF CHURCH PROPERTY.
A bulletin just issued by the government shows that there were 164,820 Christian ministers in the United States in 1906, besides 1,084 Jewish rabbis, and that they increase at the rate of nearly four thousand a year. The average salary is \$663, and there was paid to them in 1906 a total of \$69,667,587.
There are in Manhattan and Brooklyn scores of ministers whose salaries exceed \$5,000 a year. The highest salary ever offered a minister to preach in New York, and given out in a public call, was \$18,000 a year and a house, offered last year by the Fifth Avenue Presbyterian Church. It was declined. Several ministers receive \$15,000 a year, and there are a dozen or more who get \$12,000. These salaries are the highest in the world, London and Berlin averages being hardly more than \$3,000 a year.
The value of church property in New York amounts to \$153,953,740. This does not include parsonages or hospitals or asylums—simply buildings used for public religious worship. Investigation finds the debts upon all of them to be \$19,082,419, or about 12.3 per cent.
Boston has invested in churches \$27,000,000, with debts on them amounting to 7 per cent of their value. Chicago has the same sum invested, with 15 1/2 per cent debts. Baltimore has \$14,000,000, with debts of 10 1/8 per cent of the value; Philadelphia, \$45,000,000, with 9 per cent debts; Newark, \$8,000,000, with 7 1/2 per cent debts, and Washington, \$10,000,000 with 10 1/2 per cent debts.
The government puts Roman Catholic church properties in New York at a valuation of \$55,313,000, and finds the debts on these properties to be 20 per cent of their value. Jewish places of worship are put down at \$8,700,000 in value, with 19 per cent debts. In the Protestant list Baptists have the highest debt percentage, 8 1/2 per cent; Methodists, 8; Congregationalists, 6; Presbyterians, 4 1/2; Reformed, 3, and Episcopalians, 1 7/8.
In New York Episcopal places of worship are held to be worth \$25,880,000; Presbyterians, \$16,400,000; Methodist, \$10,500,000; Baptist, \$9,400,000; Reformed, \$7,900,000. Lutheran, \$6,800,000, and Congregational, \$4,250,000. Concerning these valuations, it should be pointed out that in some cases they are far below the appraisals made for purposes of tax exemption. For example, the assessed value of church property held by the Episcopal Church in New York is, it is believed, much nearer \$45,000,000 than the \$25,880,000 which the government gives in its report.

Dysentery is a dangerous disease but can be cured. Chamberlain's Colic, Cholera and Diarrhoea Remedy has been successfully used in nine epidemics of dysentery. It has never been known to fail. It is equally valuable for children and adults, and when reduced with water and sweetened, it is pleasant to take. Sold by W. F. Creighton and Richard Gibson.

MARTIAL LAW PROCLAIMED.
Martial law was proclaimed in Hunt, ington, W. Va., last night. Following the unsuccessful attack made on the Cabell county jail Sunday night by a mob of 1,500 people eager to take from their cells John Wayne and Charles Clyburn, two alleged negro murderers, another attack was made last night. Led by several men and waving torch lights, 3,000 men walked through the streets of the city crying "Lynch the negroes."
The mob proceeded to the courthouse square, where they surrounded the jail. They were met there by 50 special deputy sheriffs armed with rifles. Sheriff Harshbarger mounted the jail steps and pleaded that the law be allowed to take its course. His words were without effect. The entire police force and the deputy sheriff squad then charged into the mob, and those who refused to leave the square were arrested.
Several companies of the fire department turned water on the crowd, but this increased the furor. The alleged leaders of the mob were thrown into jail, together with 50 others, and after the officers had threatened to shoot the mob retreated.
Two companies of the state militia arrived on the scene, and assisted in dispersing the mob.
Wayne is charged with the assault and murder of Mrs. John Alliff, a bride of three weeks, near Quinnimont, and Clyburn murdered Chesapeake and Ohio Section Foreman Withrow in Huntington Saturday.

When the digestion is all right, the action of the bowels regular, there is a natural craving and relish for food. When this is lacking you may know that you need a dose of Chamberlain's Stomach and Liver Tablets. They strengthen the digestive organs, improve the appetite and regulate the bowels. Sold by W. F. Creighton and Richard Gibson.

A MISSISSIPPI ENTHUSIAST

Mrs. Lena Gresham, of Clinton, Miss., Has a Few Facts to Tell Our Readers About Cardui.

Clinton, Miss.—"Thanks to Cardui," writes Mrs. Lena Gresham, of this place, "I have been greatly relieved."
"I suffered for three years from female inflammation, and had taken medicine from four different physicians without much benefit."

"I have received more benefit from seven bottles of Cardui, than from all the physicians."

Just try Cardui. That's all we ask. It speaks for itself. It has helped so many thousands, it must be able to help you.

Trying Cardui won't hurt you. It is safe, harmless, gentle in action, and purely vegetable.

If you are weak, tired, down and out, try Cardui.

If you are sick, miserable, and suffer from womanly pains, like headache, backache, dragging feelings; pains in side, arms, legs, etc.—try Cardui.

It is the medicine for all women. It is the tonic for you.

RIOTING IN COLUMBUS.
Rioting broke out anew in Columbus, Ohio, last night in the street car strike, and police, soldiers, and deputy sheriffs arrested 75 persons. Following an unsuccessful attempt to dynamite an East Side car, a large crowd gathered. They were stoning all passing cars when police and soldiers reached the scene. Every man not in his own home who could not explain his presence was seized.
The soldiers, with riot clubs, struck down men in the street, and they also entered houses in which refugees had been taken, showing no mercy with their clubs. It is believed twenty persons were struck.
In no cases, as far as the police learned, were serious injuries sustained, although the soldiers fired several shots.

BODY FOUND IN SCOTCHISH MOORS
A dispatch from Glasgow says the body of a woman, on which there was a large sum of money in notes and gold was found in a remote spot of the Scottish moors on August 26. It has been identified as that of Lady Marjorie Erskine, second daughter of the Earl of Buchan.
Lady Erskine was a popular society woman. She had been missing for a month. The decomposition of the body makes it difficult to discover the cause of her death.
There was no evidence of foul play, and the coroner's jury has returned a verdict ascribing Lady Erskine's death to exposure and privation in accordance with the doctor's assumption, based on an examination of the body.
Friends are of the opinion that she either broke or sprained an ankle among the rocks and was unable to walk. All chances were against her being heard in the wild and remote region where her body was found. The weather was stormy early in August, and cold enough in the mountains to cause death comparatively soon under such circumstances as befell Lady Erskine.

Chamberlain's Stomach and Liver Tablets gently stimulate the liver and bowels to expel poisonous matter, cleanse the system, cure constipation and sick headache. Sold by W. F. Creighton and Richard Gibson.

FIFTY YEARS' EXPERIENCE OF AN OLD NURSE.
Mrs. Winslow's Soothing Syrup is the prescription of one of the best female physicians and nurses in the United States, and has been used for fifty years with never-failing success by millions of mothers for their children. It relieves the child from pain, cures diarrhoea, griping in the bowels, and wind colic. By giving health to the child it rests the mother. Twenty-five cents a bottle.
